IS IT A SEED?

FLYING EYE BOOKS

Look, I found something.
And here it is.
Is it a seed?

It looks like
a seed.

I've seen lots of different types before.
But never one just like this.

What could it grow into?

There's only one way to find out.
Let's plant it!

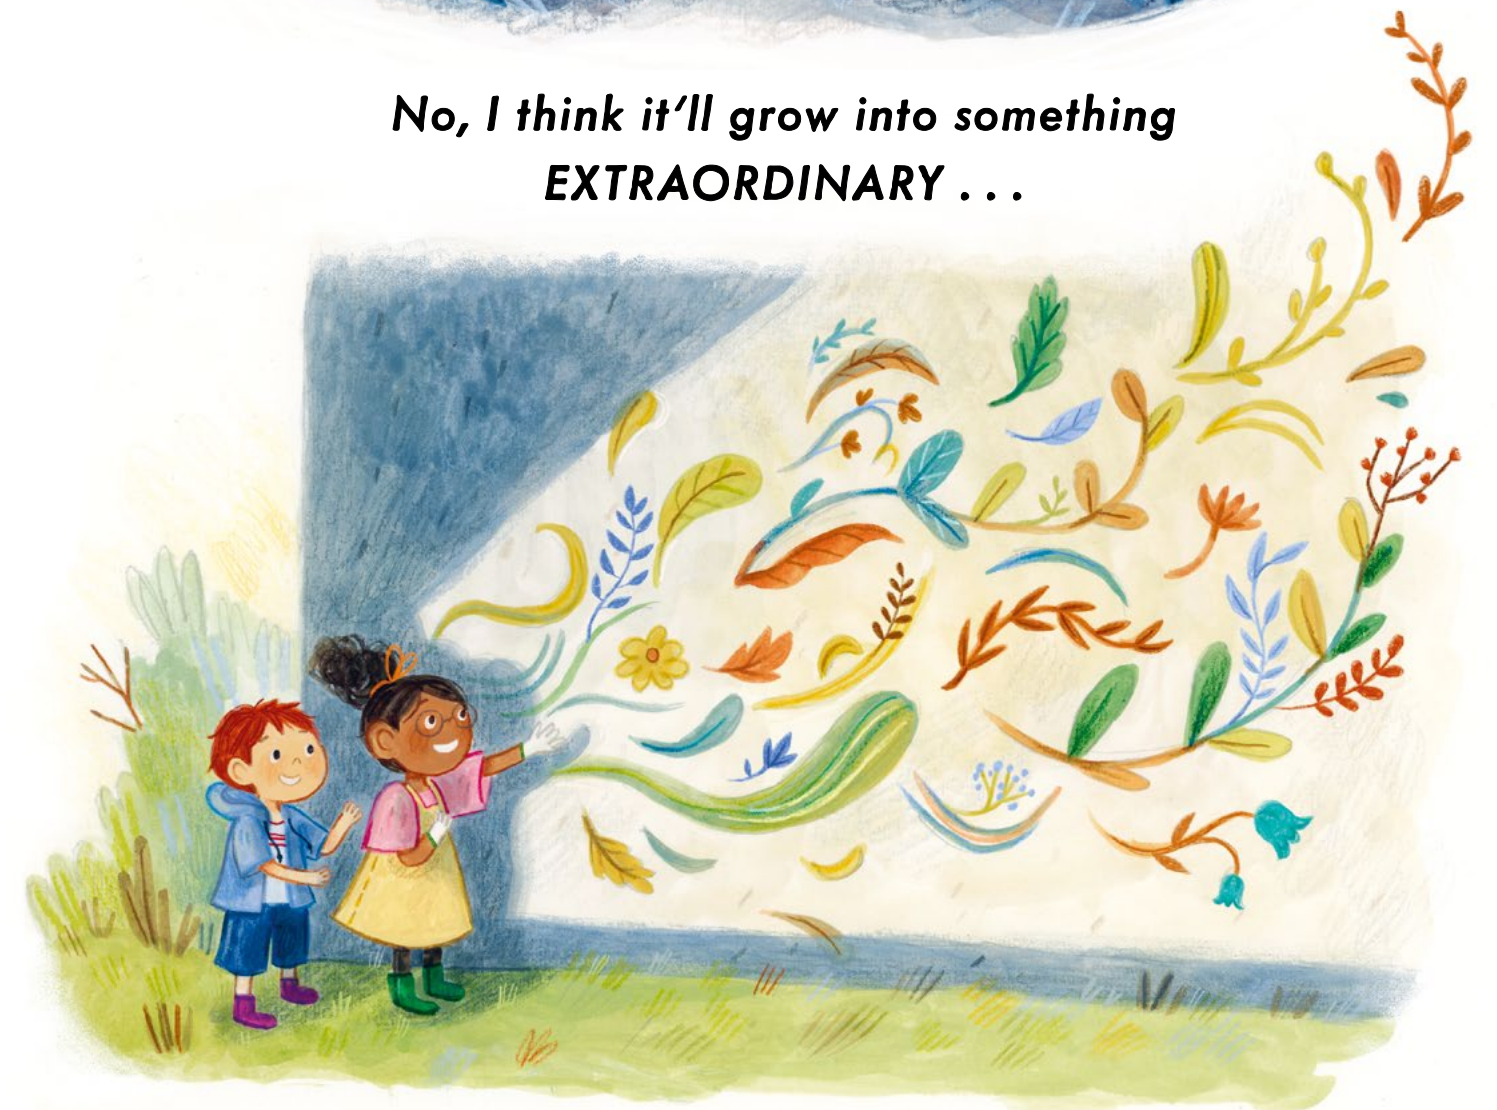

Now, we'll have to wait and see.

It might grow into a tiny, lone flower.

No, I think it'll grow into something
EXTRAORDINARY . . .

Maybe it will be a
tremendous tree, with branches
stretching far and wide.

I could play and rest
in the shade it casts.

Or...

I could build a treehouse
and make it my home.

*Even better, I could build
many treehouses, and create
a whole new town.*
