When snails are born, they're often told:
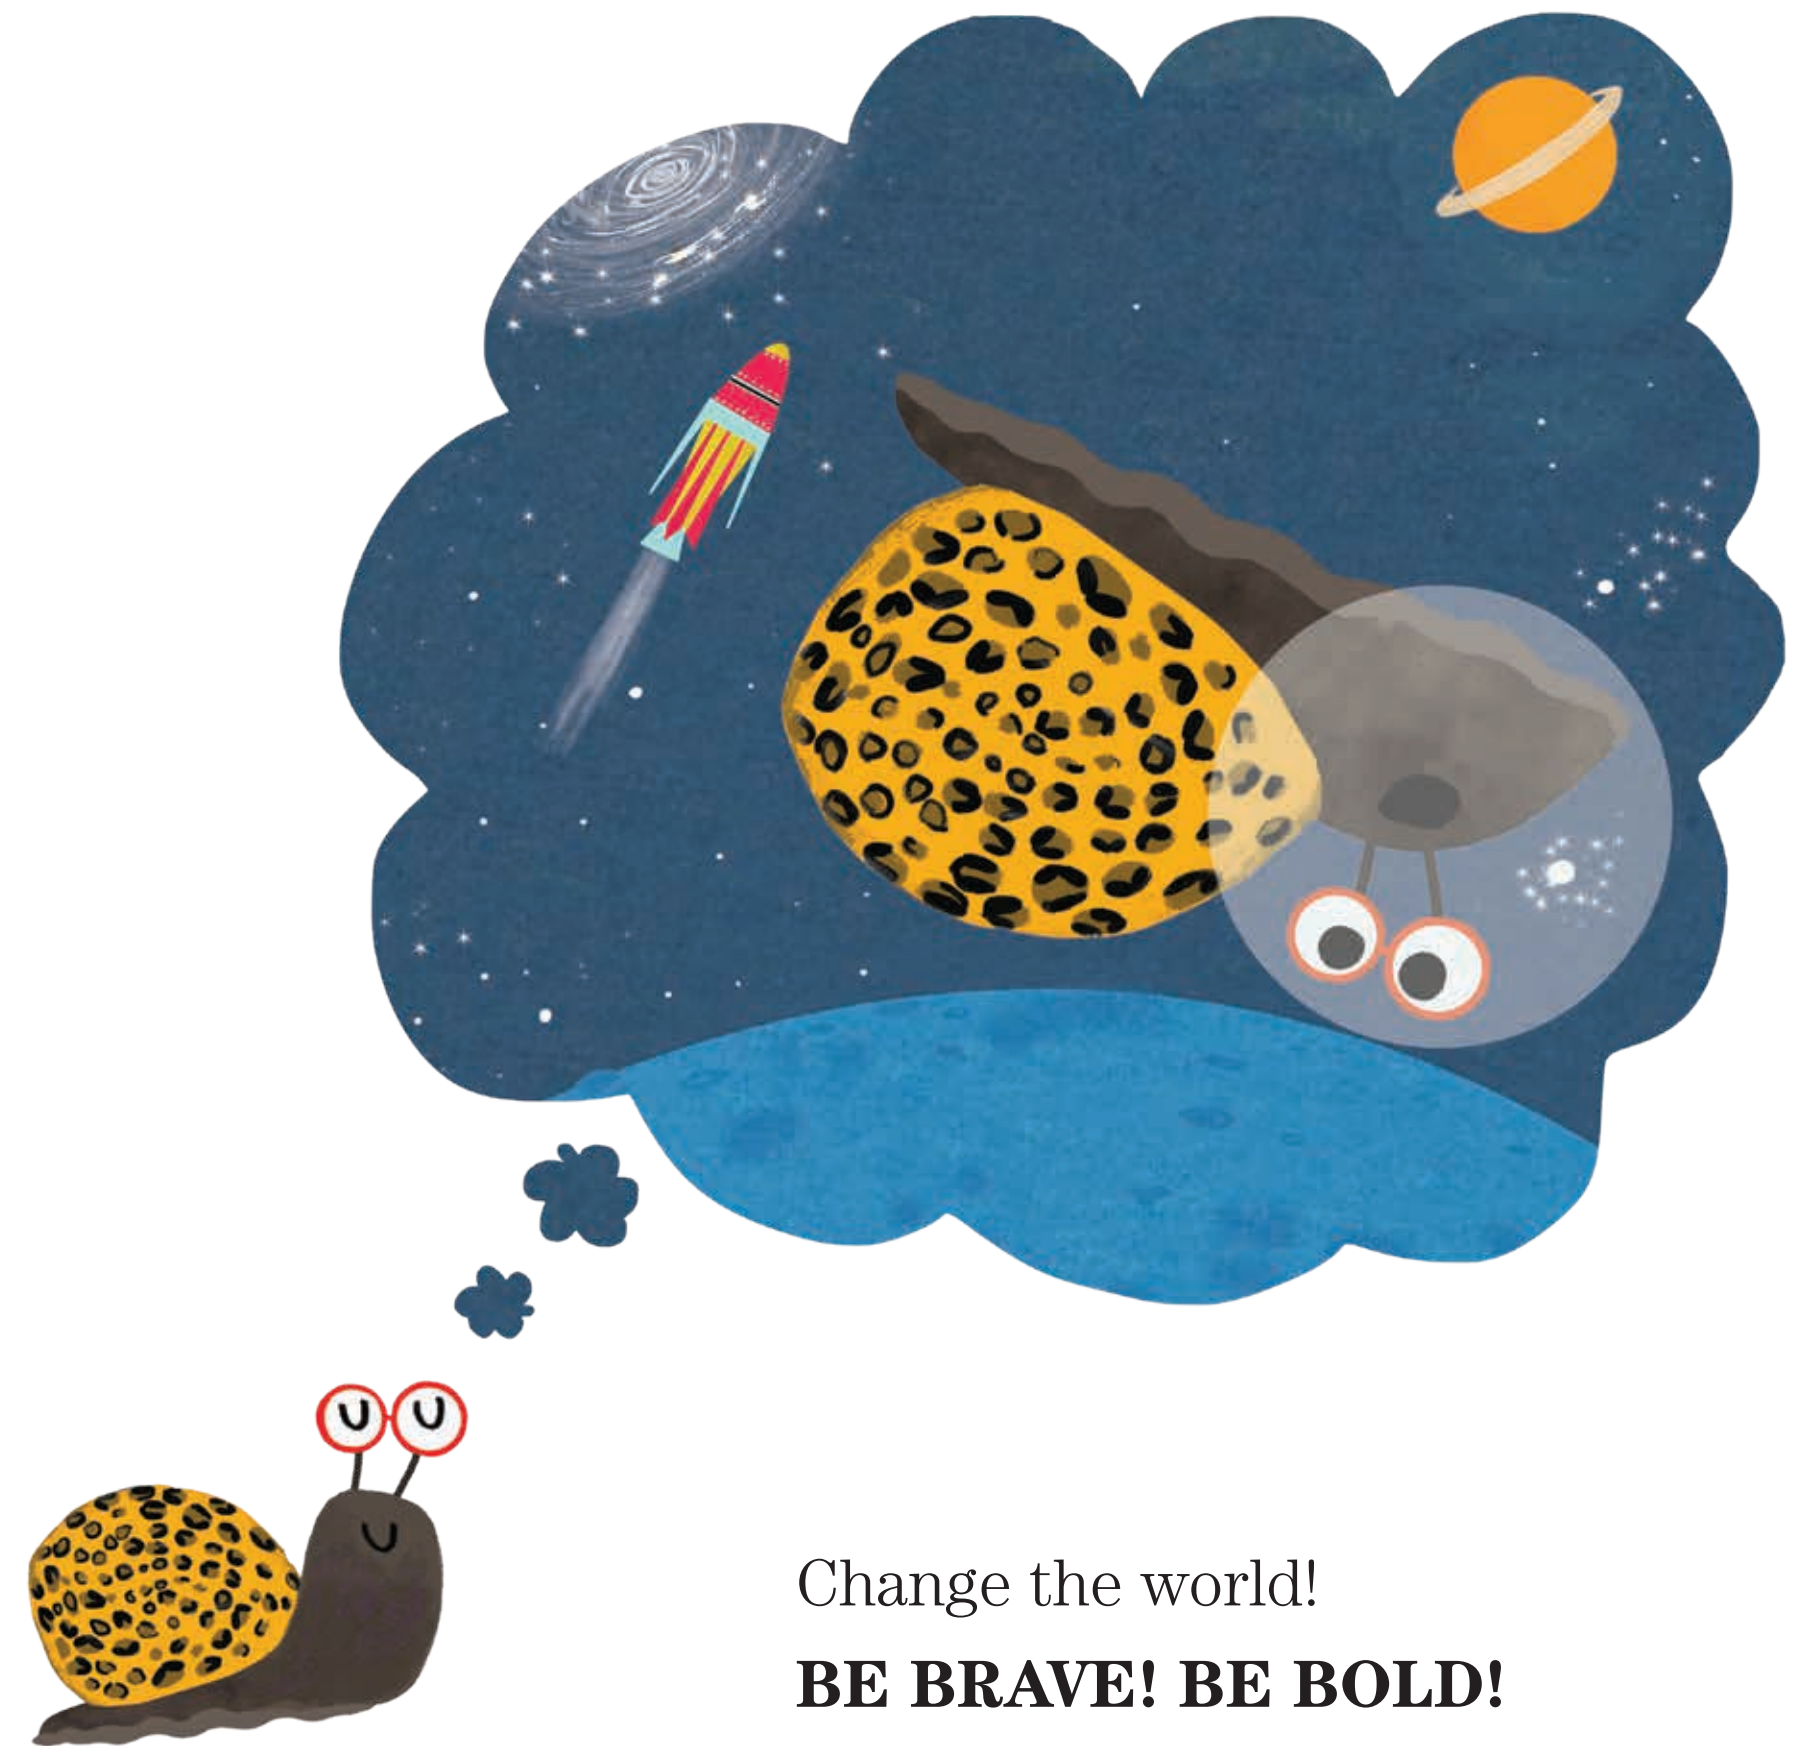

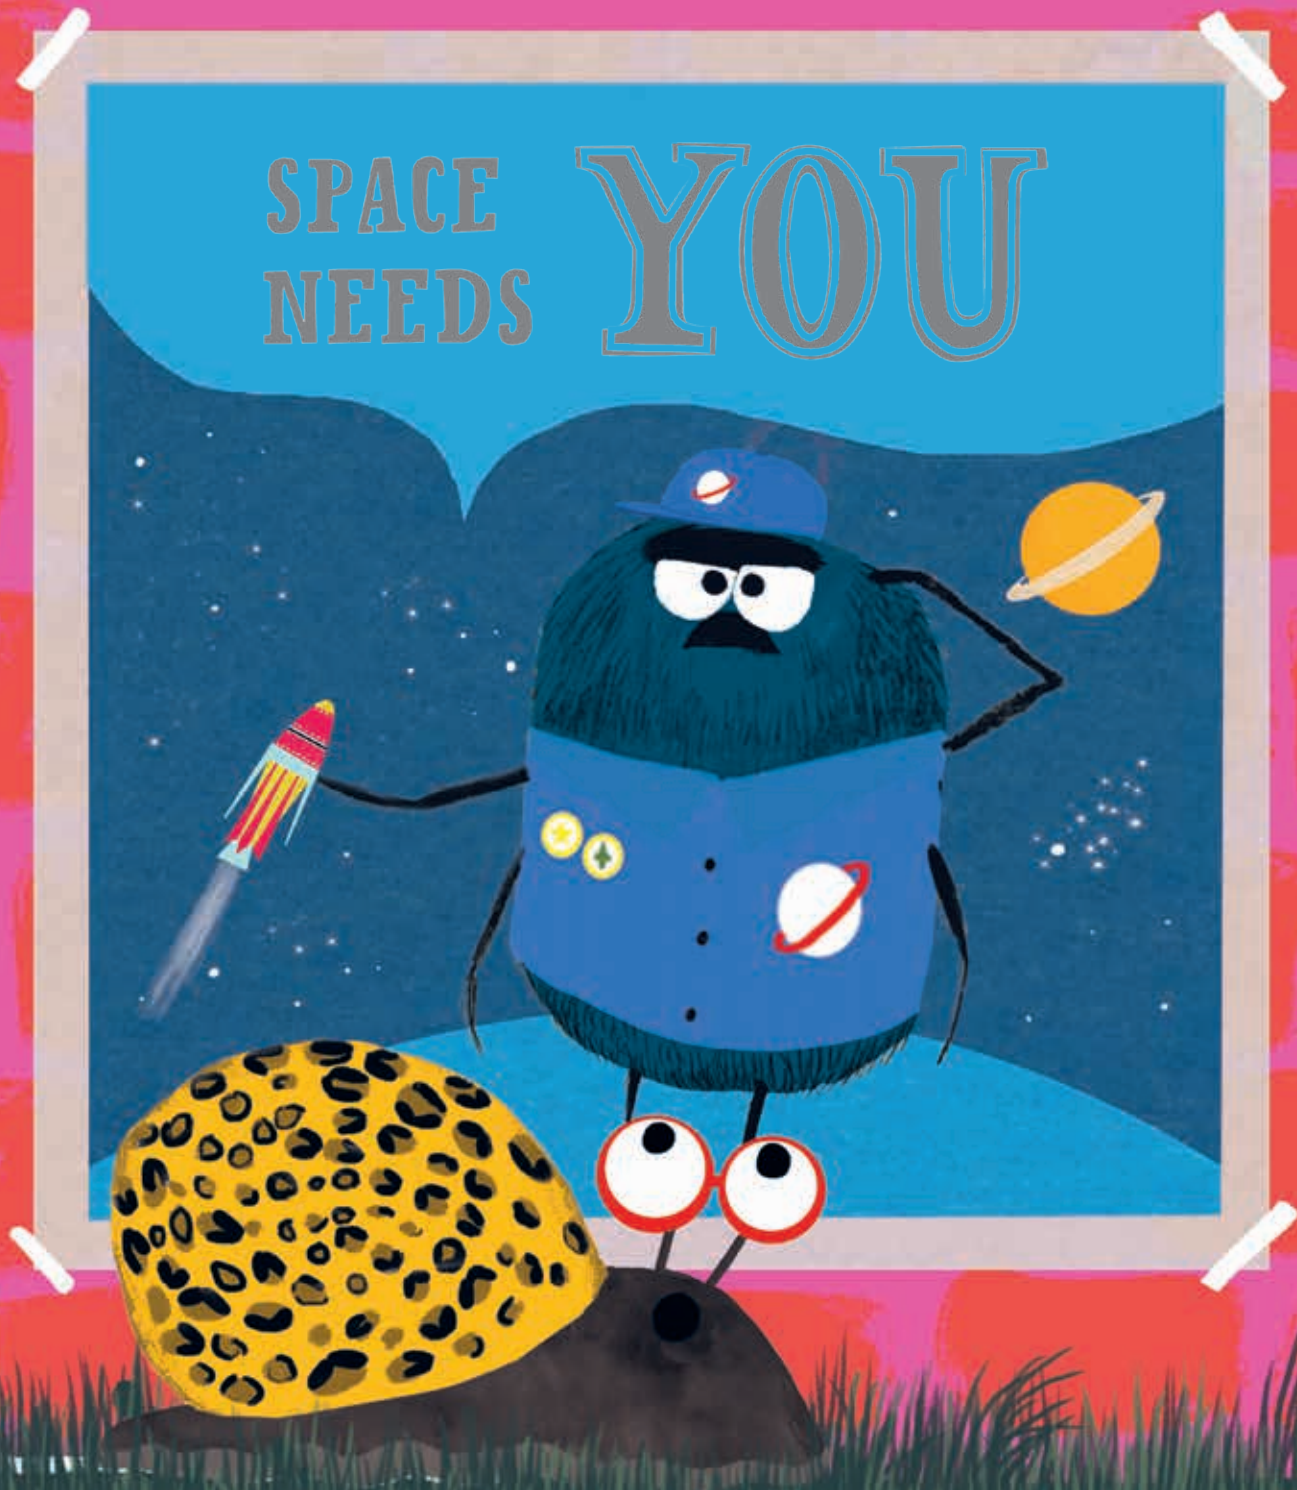

"You'll grow, eat greens
and then get old!

Don't dream too big. Don't make a sound.
Keep that foot on solid ground.

Snails are snails: it's how things are.
Snails like us can't go too far."

BUT . . .

. . . Gail is not your average snail.

She wants to blaze a *different* trail.

SHE wants to break the old snail mould.

SPACE NEEDS YOU

Change the world!

BE BRAVE! BE BOLD!

If all are zagging,

she will **ZIG!**

She sets her stalks on stuff that's BIG.
She has an EPIC dream to chase:

to be the first snailette . . .

...in SPACE!

GAIL WAS HERE!

Well, **this** was quite a plan to hatch.
No other snail had left the patch!
