Every family should have a pet.

A faithful friend to welcome
into your hearts and home.

This guide will help you decide
which pet is the perfect fit for your family.

They are quiet, peaceful creatures,
with cheerful, happy-go-lucky personalities.

Crocodiles make excellent pets.

Guinea pigs
are unsuitable
for small children.

They hang out in
gangs, making sinister
squeaking noises...

...ready to strike when you least expect it.
