THE
DAY

PICKLES

TOOK
OVER!

One day, there was a man [called Fred]
who only ate pickles. He ate them for tea,
and then went to bed.

Fred had a CRAZY DREAM that EVIL
PICKLES INVADED
EARTH.AAAAAAAAAAAAAAAAAAAAAAAAAAHHH
HHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHH
HHHHHHHHH.

Where was I? Ahh yes! The pickles could never decide who would be the leader. So, they kept on killing each other.

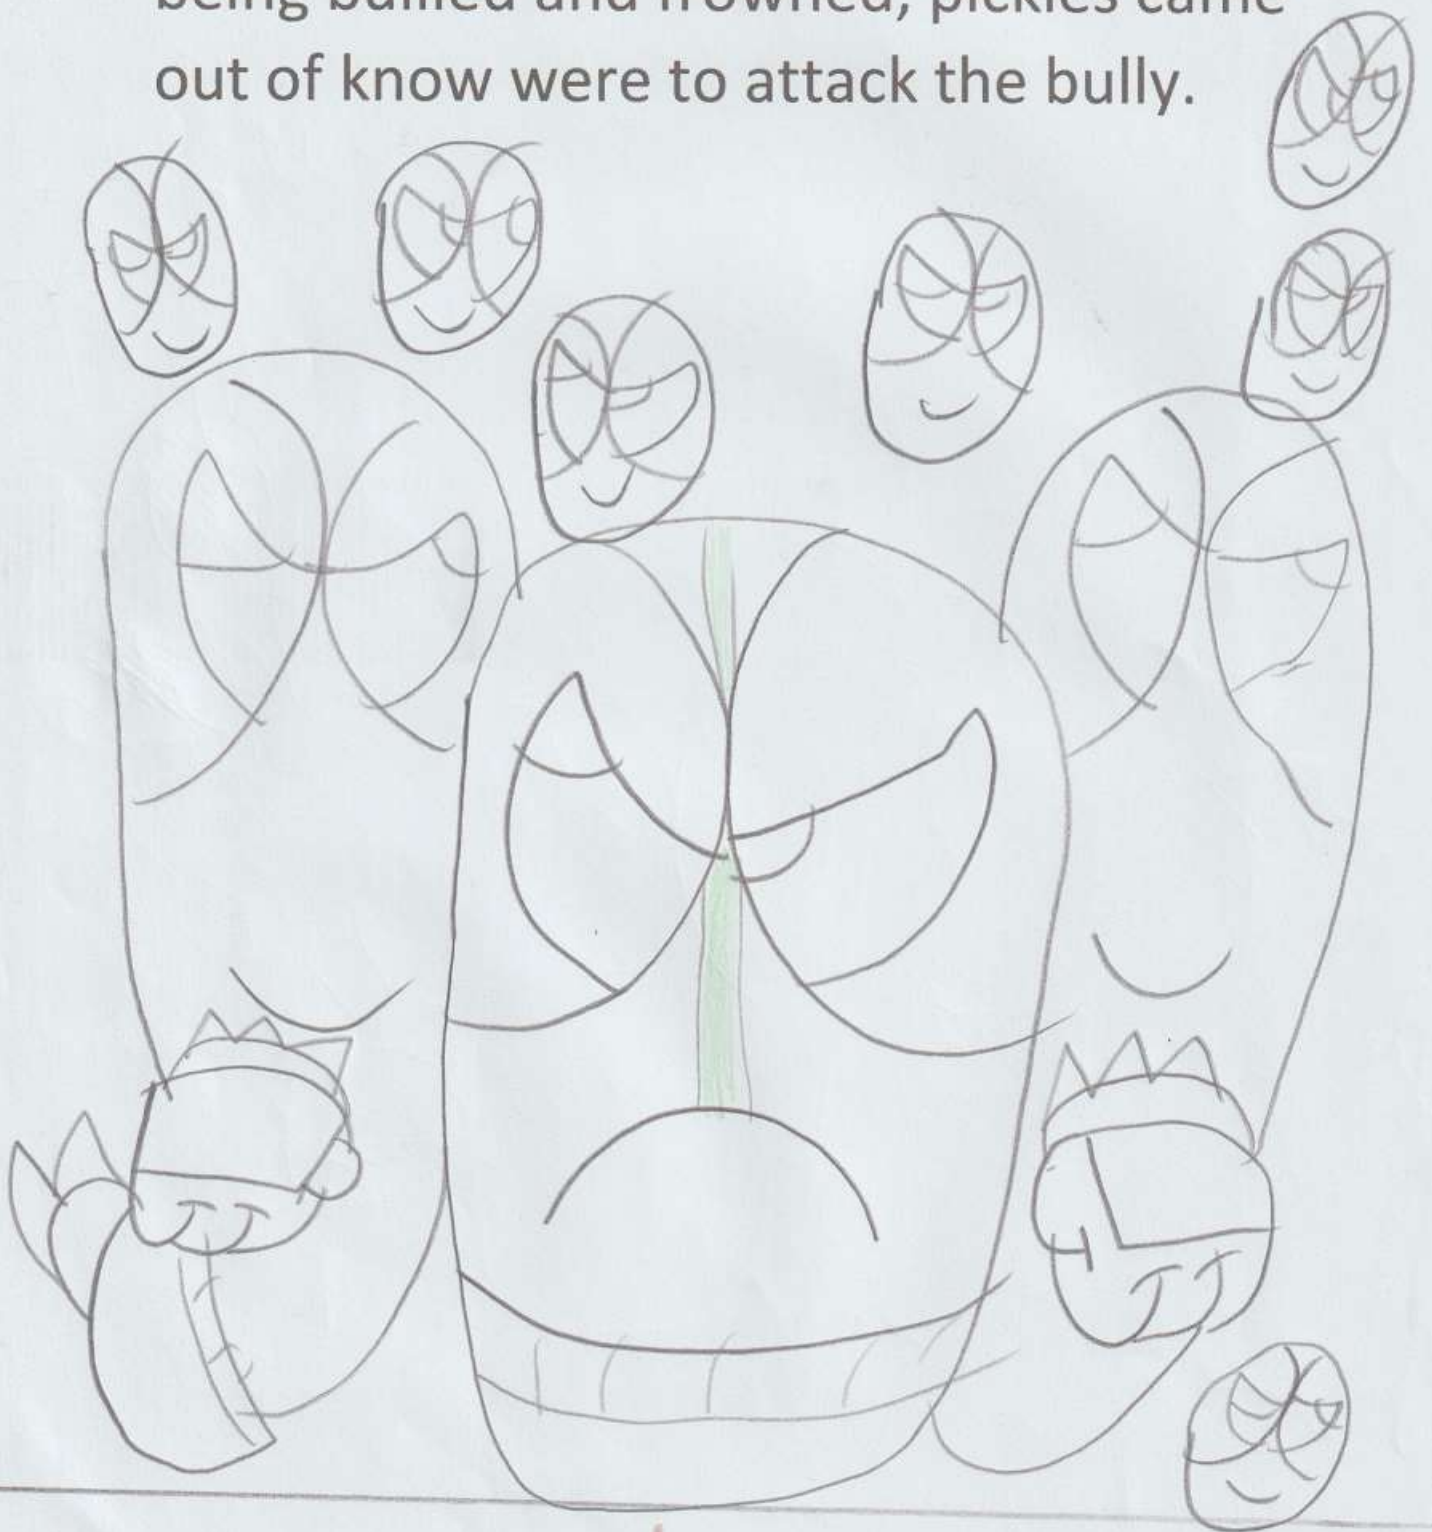

Eventually, they reached Earth, and only one pickle survived. He hid in his super awesome knife-proof doored bedroom and when he came out, nobody was there.

SUPER
AWESOME
NINJA PICKLE!
AHH YEAH!

But that pickle found something about his kind. If they frowned, they could make ten more pickles. That's why when he was being bullied and frowned, pickles came out of know were to attack the bully.

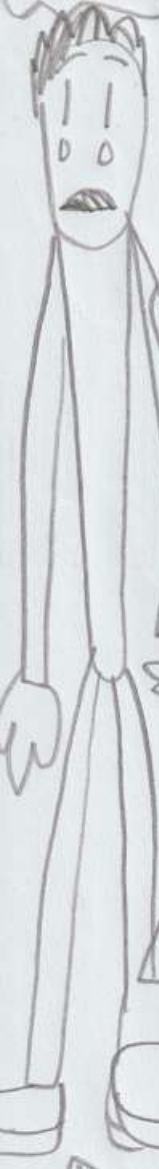

NO COLOR! SORRY!

But one day, the humans found out if they can just EAT THE PICKLES WHEN THEY GET sorry. I forgot to stop using capital letters. Back to the story. They found out they could just EAT THE PICKLES when they capture them. YESSSSSSSSSSSSSSSSSSSSSSSSSSSSSSSS.

I did it right.

That pickle ran AWAY as fast as it could.
That wasn't that fast because he could

But soon, they caught him [very easily] and ate him before he could muster a frown.
