What does
it take to make
a home?

Bricks and
concrete,
windows and
walls, glass
and steel?

Every home
is different.

It changes and grows.
But we can always
recognise it.

*What does it take to build a home? Bricks and concrete,
windows and walls, glass and steel? Sometimes,
home is something much more . . .*

With clever peek-through pages and lift-the-flap surprises, discover the true meaning of home in this heartfelt hug of a book. Perfect for children navigating change, this is a playful ode to all the places we find comfort.
