

I

REMEMBER

WHEN ...

Gandy

I remember
When...
my mom
made me my
first pair of
wings.

I remember when ...

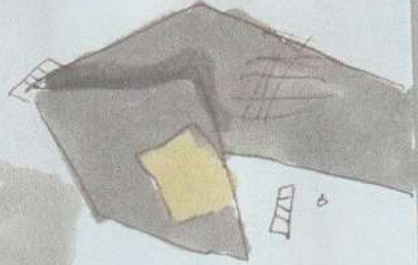

I first flew ...

and...

... broke the roof.

I Remember When...

I was teased and bullied...

... for being DIFFERENT

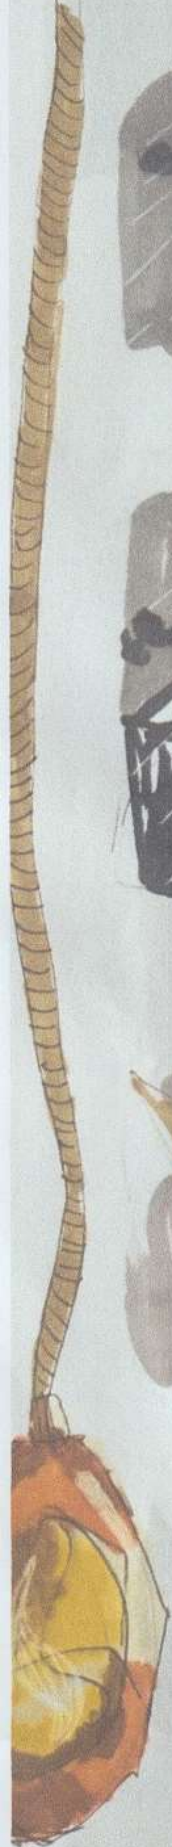

I remember when...

Mom had passed away...

Her amulet was all that was left.

I remember when ...

THE MONSTER
CAME...

WHEN...

THE MONSTER
STRUCK.

All
I saw
was
fire...

It was
hell

Building were collapsing
people were fleeing
in terror.

I remember when
I flew away...
Away from the fire...
Away from dad...

The fire grew

into a destructive INFERNO

It came for me

trying to take me AWAY!

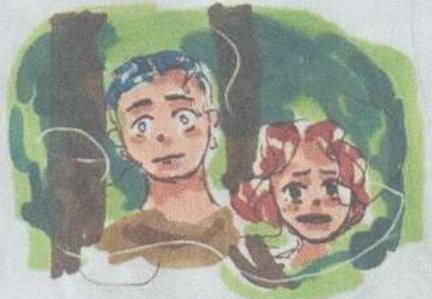

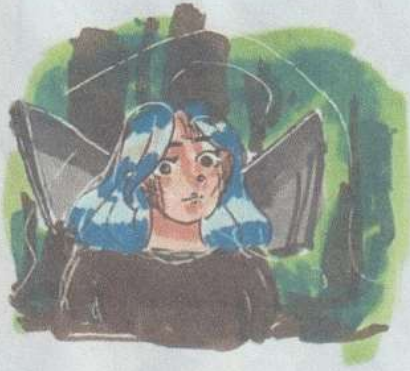

I remember when...

The fire trapped me!

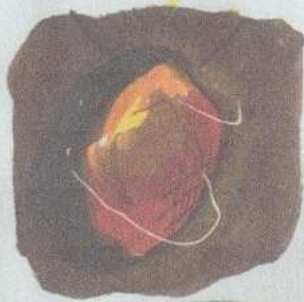

... I couldn't move

I was taken...

Where am I? Why can't I hear anything?

I remember when...

I woke...

... "I'm alive?" ...

... Dad was alive

I remember when...

...we hugged...

and dad told me

I remember when
my wings were given
back to me

... and
how mom
had saved
me.

Mom had passed away...

But she was in my soul the

~~whole time.~~
