

Penelope Snop was the **BEST**
Finder-Outer-in-the-Whole-Wide-World.

After all, with her trusty DOG, **Carlos**, she had:

1. SOLVED the mystery of the flyaway balloons
2. LOCATED Mum's missing lollipop
3. CLEARED UP the case of **Sidney**,
the missing Sock Snake!

But today at the beach, the Ace Detective
had an even **BIGGER CASE** to solve . . .

Her *super-special shiny seashell* had
DISAPPEARED!

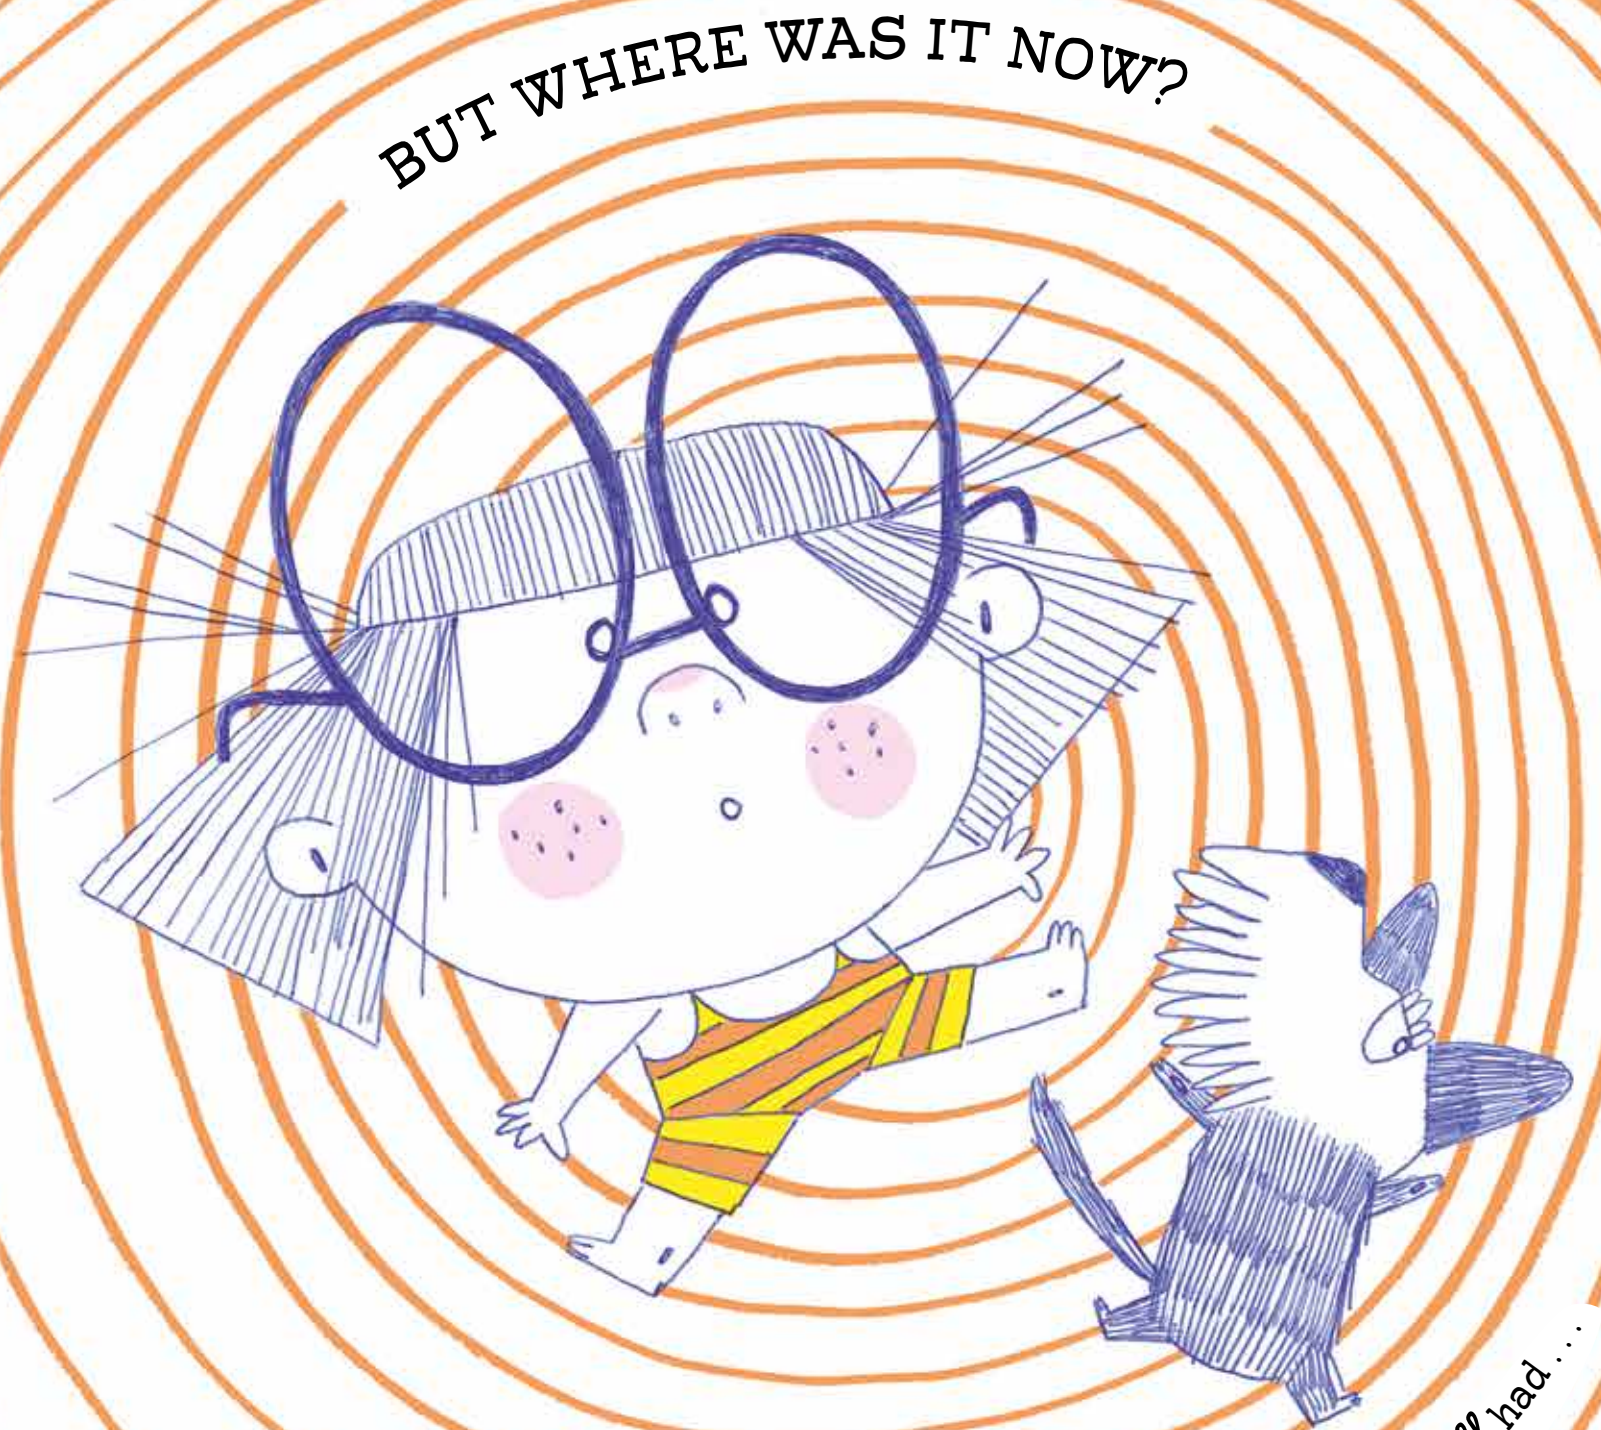

It had DEFINITELY been in her hand when she ran to show her mum.

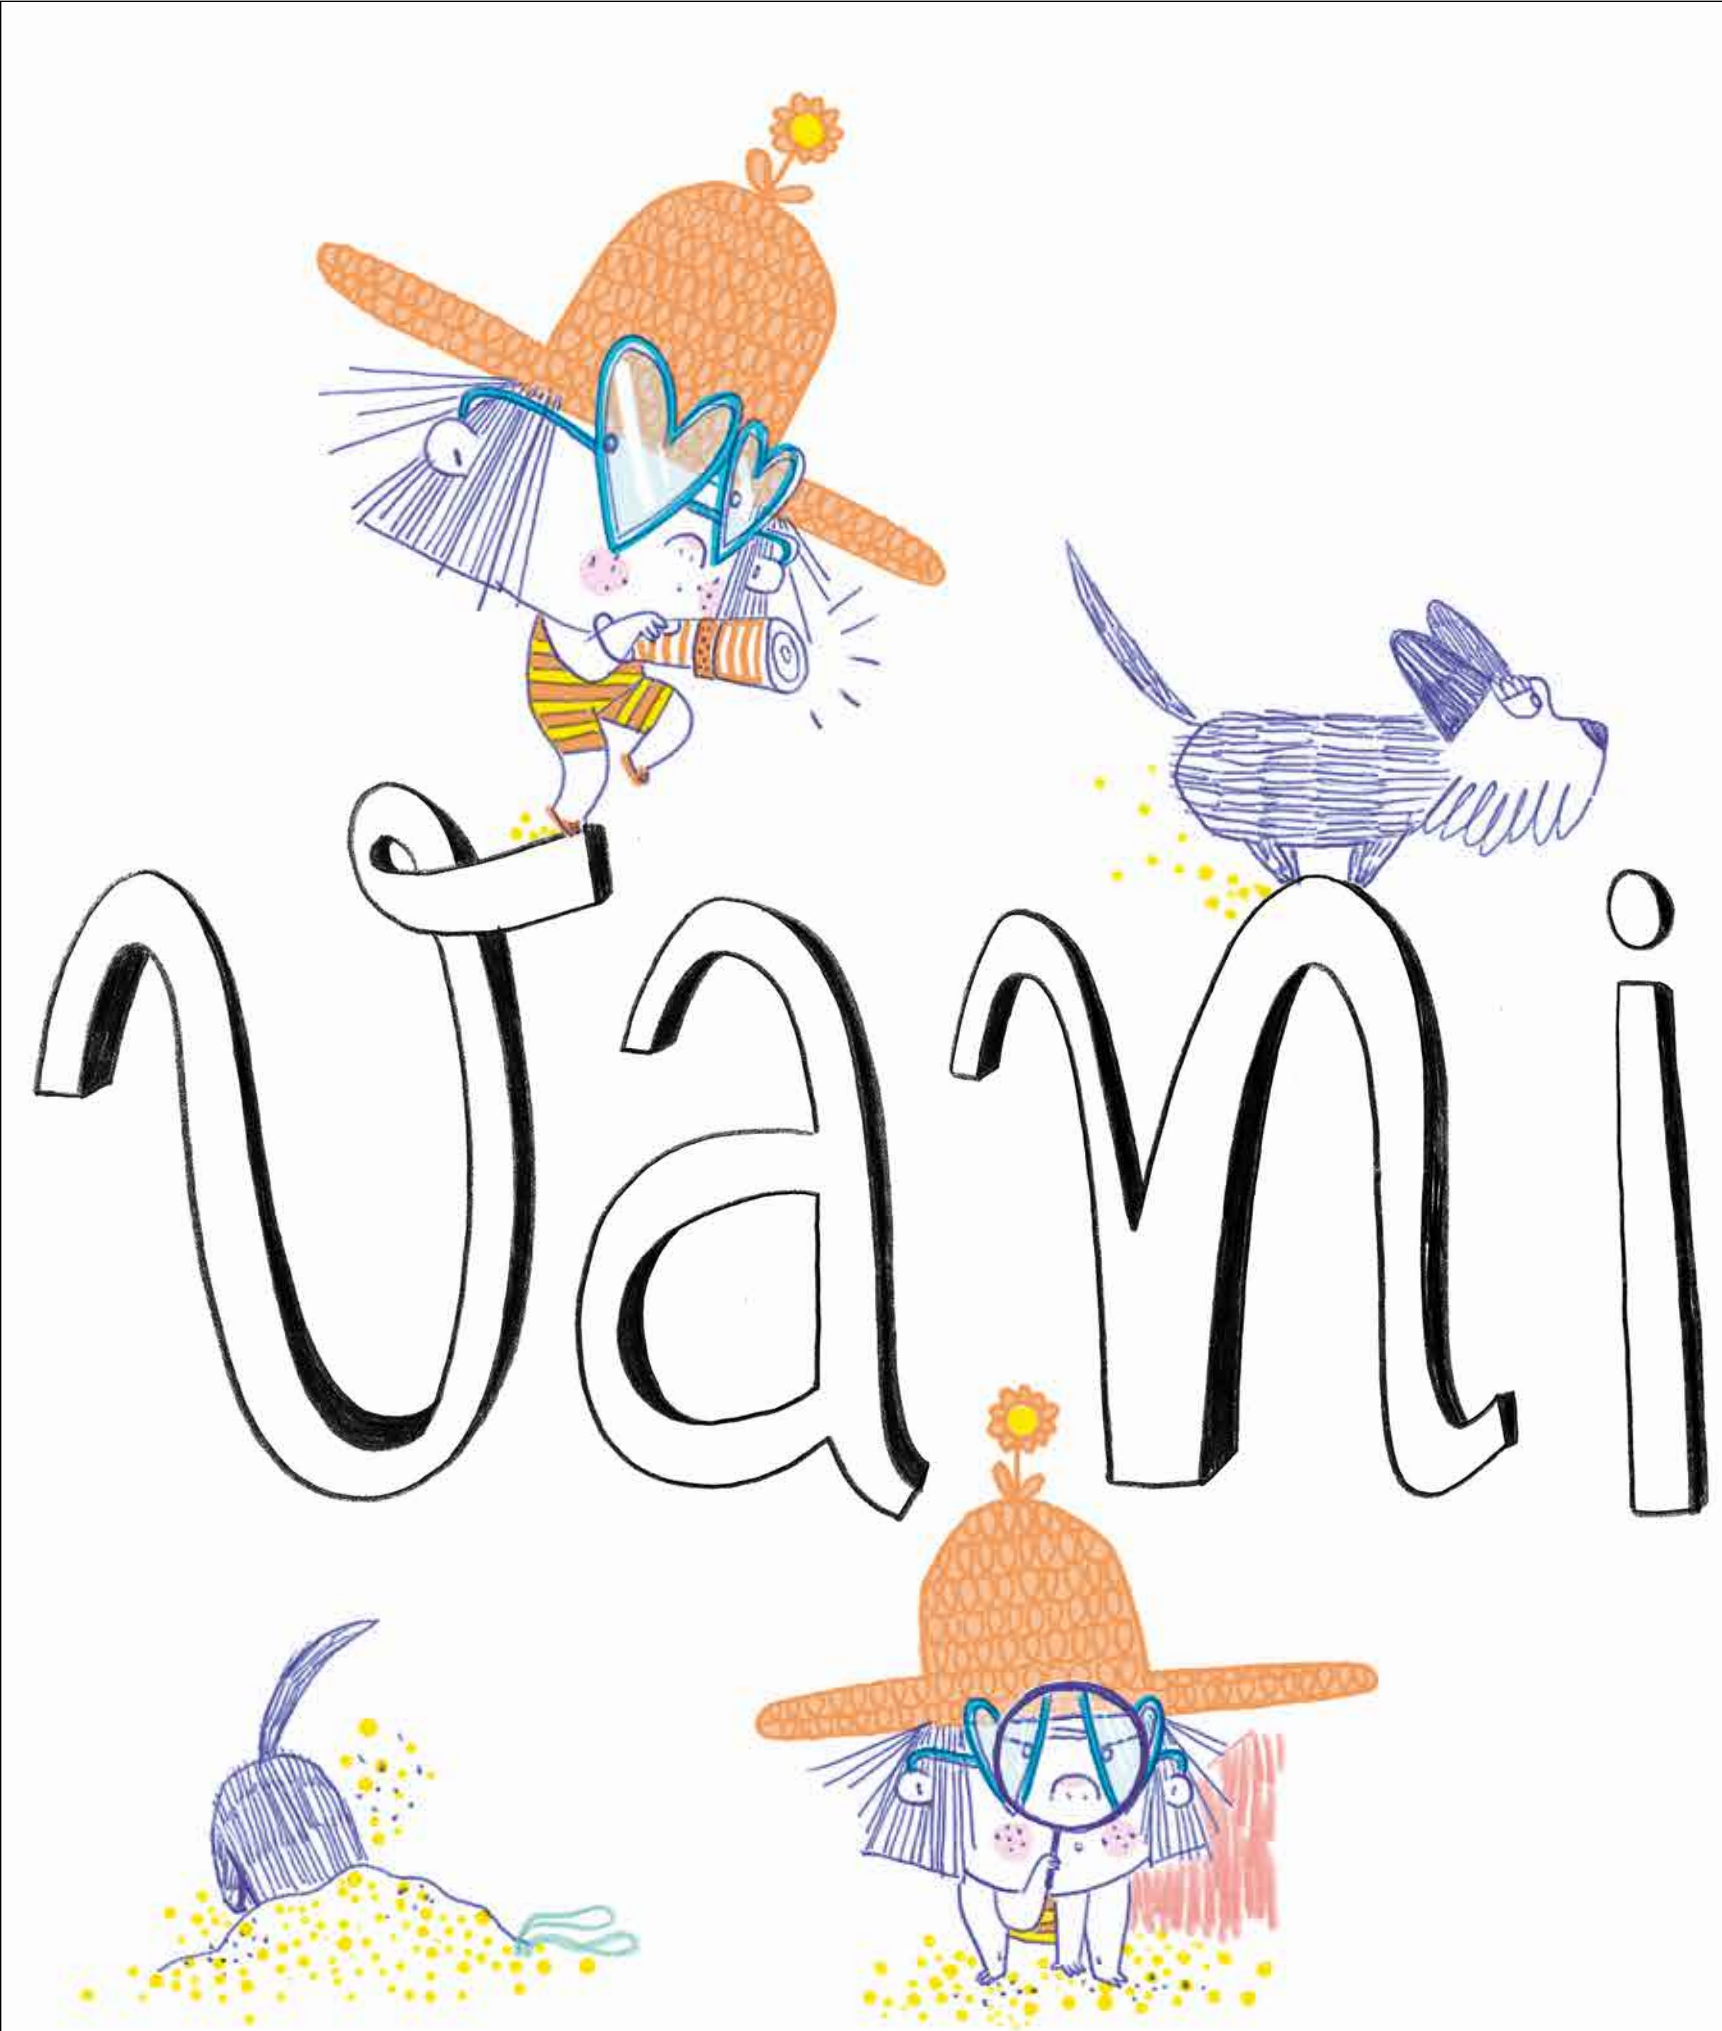

And it was THERE when she was eating her ice cream because she accidently licked it!

And she had DEFINITELY seen it in her bucket because she REMEMBERED putting it at the very top.

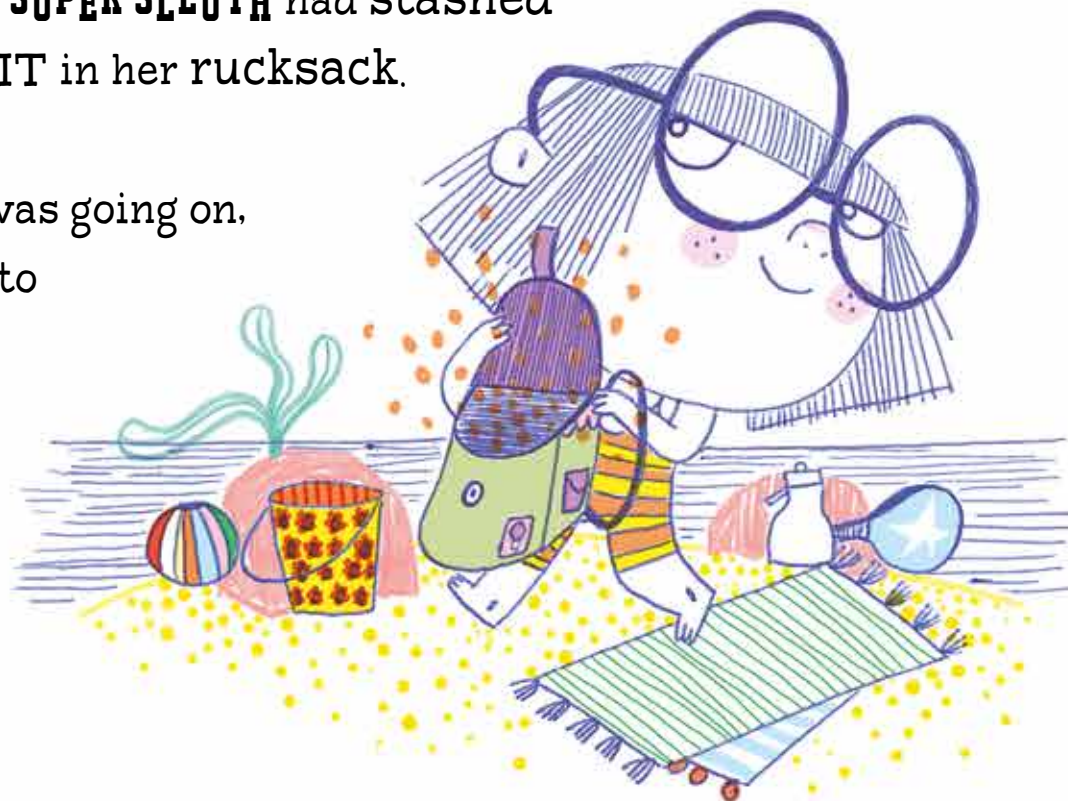

There was NO DOUBT about it. Penelope Snoop's super-special shiny seashell had . . .

Luckily, **Penelope Snoop, SUPER SLEUTH** had stashed her **FINDER-OUTER KIT** in her rucksack.

Something **STRANGE** was going on, and she was going to get to the bottom of it.

She put on her **FINDER-OUTER HAT**.

Carlos WASN'T sure about his sunglasses but **Penelope Snoop** **INSISTED**.

The **CASE** of the **VANISHING seashell** was **OFFICIALLY OPEN**.

It was **TIME** to get **CRACKING...**
