The full moon hangs above Animal Town.
Everyone is having a party. It is Moon Girl's birthday! Super Rabbit Boy has a very special present for her.

Moon Girl opens her present. An orb flies out of the box. It floats above Animal Town. The full moon's light shines on it.

Super Rabbit Boy found the Moon Orb at the bottom of a very deep, very dark dungeon.

Oh no! It's King Viking and his Robot Army!

No more fun and games!
These three unbeatable
robot bosses will defeat you!
