HOW TO FIND A YETI

Matt Hunt

Did you know that a **yeti** lives in the forest behind my house?

I haven't found it yet, but one day I'm sure I will. It must be somewhere.

You see, I'm a bit of a **yeti** expert.

I have borrowed all
27 yeti books from
the library.

I have a pair of yeti slippers
(not made from real yeti).

And I also have
a 1:16 scale
cardboard
cutout of
a yeti in my
bedroom.

Some people **don't** believe
in yetis, but **just wait** until
I find one.

Maybe I'll be on
the 9 o'clock news, or
interviewed on morning TV.

Today's the day! The conditions are perfect for a yeti hunt. First, I pack everything we need.

And then I put on my boots, my hat and my favourite scarf.

Milo's ready too.

Maybe he can help sniff out the yeti.
