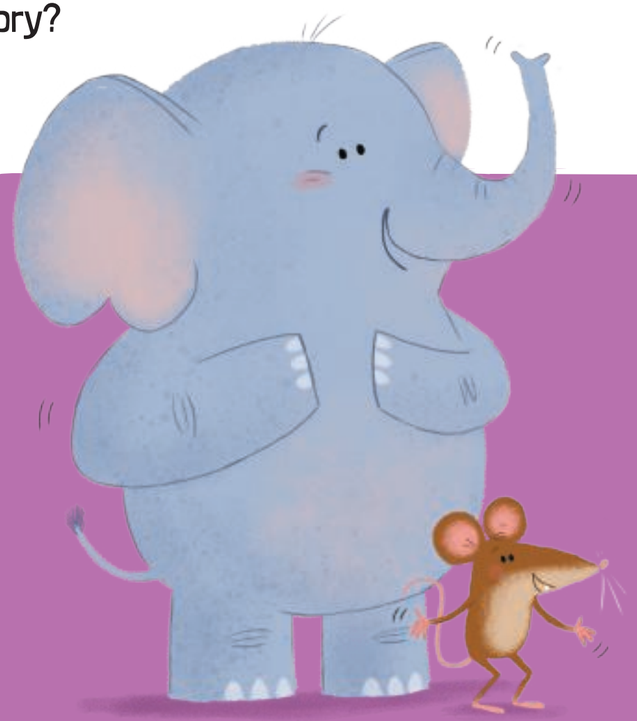
Reading with your child

Tips for sharing this book

Look at the front cover. What does your child think might happen in the story?

Read the back cover blurb. Talk about what the word 'float' means.



During reading

- Encourage your child to describe what is going on in the pictures.
- Ask your child what is happening, and what they think might happen next.
- When you turn the page to see what actually happens, the outcome may or may not be what you expect! Talk about it.
- Give them lots of praise as you go along!

After reading

- Look at the back for some fun activities.

OXFORD
UNIVERSITY PRESS

Great Clarendon Street, Oxford OX2 6DP
Oxford University Press is a department of the University of Oxford.
It furthers the University's objective of excellence in research, scholarship,
and education by publishing worldwide. Oxford is a registered trade mark
of Oxford University Press in the UK and in certain other countries

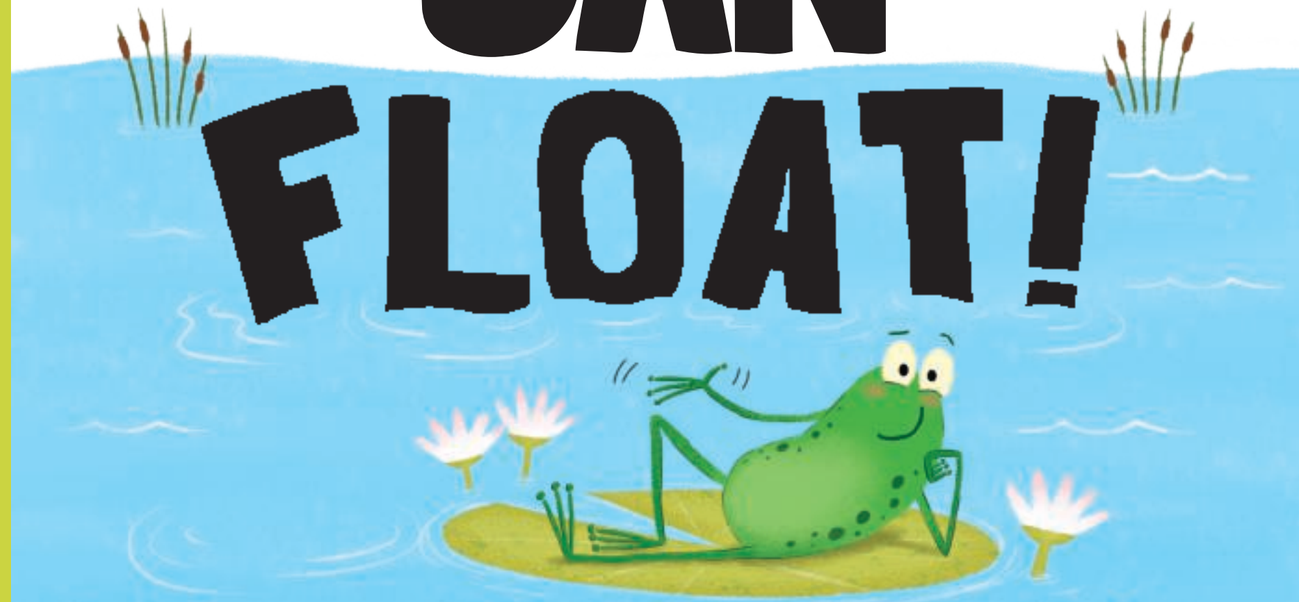
FROG CAN FLOAT!



OXFORD
UNIVERSITY PRESS

Look, ice cream!

We need to get to the other side!

Let's find things that **float!**

Let's try these!

This sinks too!
