Meet Izzy

She wants to be the...

GREATEST INVENTOR

of **ALL** time.

Izzy always believed in **SCIENCE**, *not* magic. But then, one day, something unexpected happened. A fairy appeared in her bedroom, saying...

It is I, Rose Petal Twinkle-Toes, your Fairy Godmother.

The fairy gave Izzy a unicorn (which she hadn't asked for), sent her on a mission to Fairytale Land (which she didn't believe in) and told her to rescue Prince Charming from the Mountain of Doom.

Life, for Izzy, would **never** be the same again...

CHAPTER ONE

A Bad Start...

Izzy was having a lovely dream about a picnic with all her favourite scientists.

Einstein was there...

So was Mae Jemison...

...and Rosalind Franklin.

Izzy was telling them about her latest AMAZING inventions. They all seemed very impressed.

But then Izzy heard someone, with a very tinkly voice, calling her name over and over.

The dream **VANISHED** and Izzy opened her eyes to see a fairy and a roly-poly unicorn had appeared beside her bed.

“There’s a problem,” said Fairy Rose Petal.

“A big problem,” added Henry the Unicorn.

“Bad Fairy Brenda wasn’t invited to Cinderella’s wedding,” said Fairy Rose Petal, “and now she’s put a Curse of Doom on ALL fairy tales, starting with *Sleeping Beauty*. It will take more than a prince to wake her now...”

To break the curse, we have to find a way to make it SNOW in the FOREVER SUMMER MEADOWS...

...and for me to fly. But look at my wings!

“Can’t you solve the problem with some *magic*?” asked Izzy.
“Only the Winter Pixies can make it snow,” said Fairy Rose Petal. “And we’re not asking *them*.”

Henry gave a shudder. “The Winter Pixies are AWFUL!”

They make
your nose
go red...

turn the ground
all slippery...

...and then laugh when
you fall over.

“And we’ve tried making Henry fly,” sighed Fairy Rose Petal, “but no amount of magic seems to work. So, Izzy, we need you and your **SCIENCE SKILLS**. You’ll just have to come to Fairytale Land and save the day.”

“There’s no need to fuss,” said Fairy Rose Petal, airily. “I’m sure you and Henry can fix this.”

Then Fairy Rose Petal fluttered through the open window, leaving behind a trail of pink sparkles.

“Please help,” begged Henry. “I don’t want it to be *my* fault if Sleeping Beauty has to sleep for all eternity.”

“Of course I’ll help,” said Izzy, giving Henry a hug. “Let me just get a few things.”

Izzy started packing her **SCIENCE** bag.

Last of all, Izzy packed her science notebook, and got dressed.

Then Izzy jumped onto Henry's back...

bounded through the garden...

...and sailed through the shimmering pink mist.

Henry leaped out of the window...
