

There's A Crocodile in the House - Extract

By Paul Cookson, Liz Million

BEEP BEEP ! WHOOSH!

A great one to do with a high pitched "Beep Beep" and an extended quieter "Whoosh!"

Silver saucer shining bright

Flashing beams and laser lights

Beep ! Beep Whoosh!

Beep Beep! Whoosh!

Faster than the speed of sound

See it spinning round and round

Beep! Beep! Whoosh!

Beep! Beep ! Whoosh!

Dissipates, evaporates

Hovers, dives and levitates

Beep ! Beep Whoosh!

Beep Beep! Whoosh!

Breaking laws of gravity

Maximum velocity

Beep ! Beep Whoosh!

Beep Beep! Whoosh!

Like a diamond in the sky

Beaming down from way on high

Beep ! Beep Whoosh!

Beep Beep! Whoosh!

Nasty pilot, nasty crew

Coming down for me and you

Beep ! Beep Whoosh!

Beep Beep! Whoosh ...
