

The sun is up,  
it's a brand-new day.  
**Ten little ducklings**  
want to play.

So close your eyes,  
you mustn't peek.  
Let's play a game of  
**hide-and-seek!**

Ten little ducklings  
keeping cool,  
**splishing, splashing**  
in the pool.

Watch them dive and float and swim  
Which one's on a rubber ring?

**I see you,**  
duckling!

Ten little ducklings in a row.  
On your marks, **get set** and **GO!**

Look around now – search and hunt.  
Which one's **zooming** out in front?

I see you, duckling!

Ten little ducklings, ten **big** balloons!  
Ducklings singing happy tunes.

Past the fluffy clouds, oh my!  
Which one's **highest** in the sky?

I see you,  
duckling!
