# The runaway Book

By Ene

One day Storming Story Sam and Fiction Felicity  
were having an argument in the library...

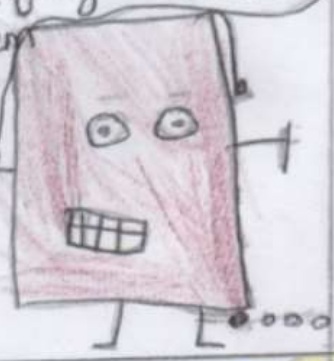

The readers had other ideas...

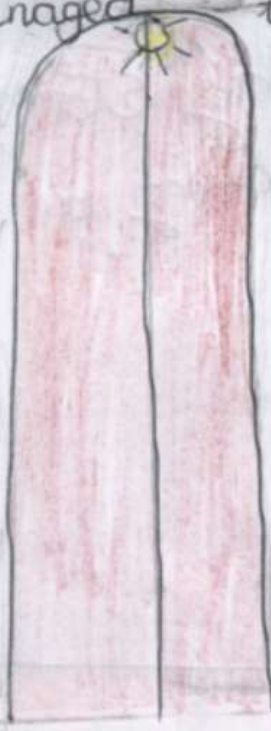

I got you some books

I forgot about them

Sam managed to escape

National Library

Sam didn't realise he was leaving a trail...

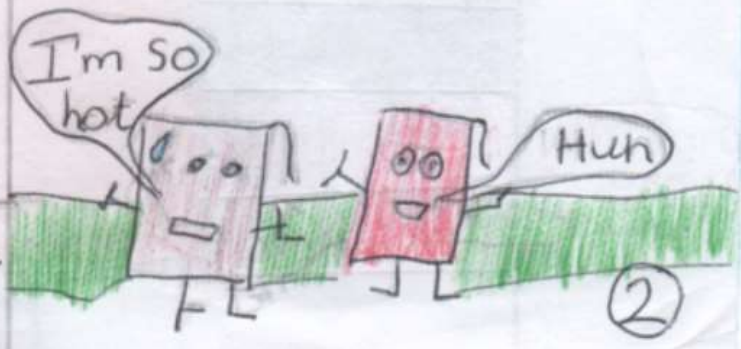

National Library

Huh

Pant Pant Huh Huh

The outside world was hard work...

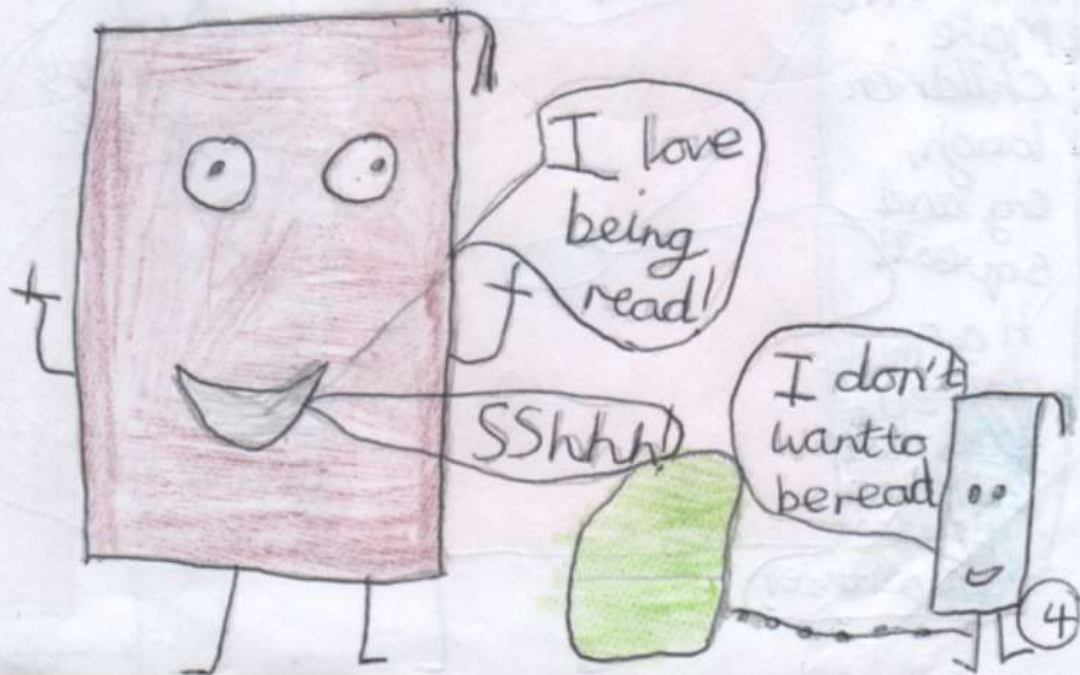

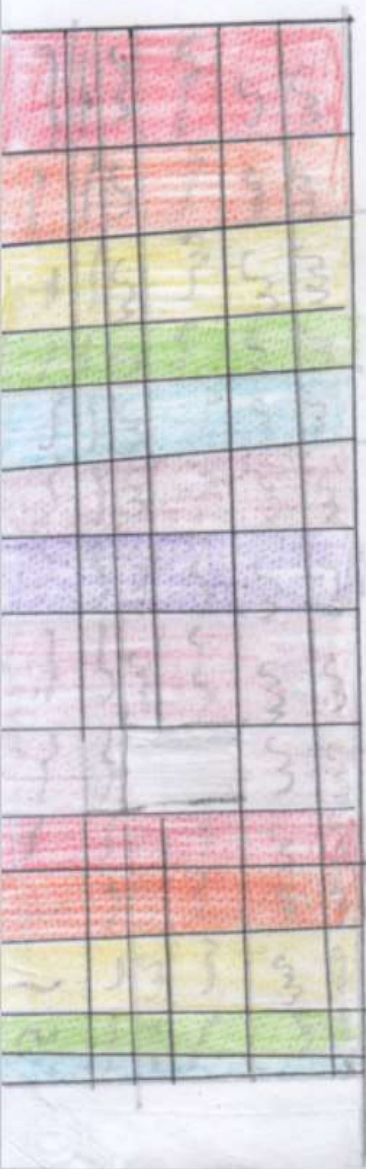

I'm so hot

Huh

Felicity had found Sam in the field crying....

2 weeks later Sam knew being a book was the best job in the world! He was no longer storming, he was simply known as Story Sam.

Storming story Sam has escaped  
from the library! Will Fiction Felicity  
convince him to come back?
